Parents-

Our first registration was a huge success! Thank You to everyone that came out and had paperwork ready. It made the day much easier to process. The next date for registration is **May 21st**. There will be more information in this newsletter about that date. This will be cheer uniform and shoe sizing as well as the final weigh-in date. If you have not weighed in, you will be placed on the team based on what weight you entered. A few teams will be full by May 21st, so there is no moving up.

Football/Cheer camps are being worked on as we speak. Throughout June and July on Sundays, we offer free camps at the field. This is a great chance to meet your coaches and other kids. We are working on some guest speakers as well as trainers. These camps are **FREE** and are open to everyone.

Our league is looking for website sponsors. If you know of anyone that is looking to be involved, please have them email me. We are also looking for indoor warehouse space for cheer practice/storage. Does anyone know of a local business with unused space??

We have begun the planning for parent events during the season. It is always nice to get away from the kids and just have some fun. Parent Night Out "Kick-Off" at America's Bar, Bingo Event, Golf Outing and a Chili Cook-Off at the field are some things we are looking into. Are you interested in being involved or do you have an idea?

If you still have a balance for registration, you can go back into your account and make a payment at any time. We will also have raffle tickets May 21st to help with fees. If you have not made payment and a team is full, you risk losing your spot. Contact us if you need assistance.

The question always comes up about practice in August. **YES** your child will need to be at practice. If you are starting to plan a family vacation, try and get it done before August rolls around. **August 20th** is mandatory football weigh-in for the conference as well.

See you on May 21st.
