Parents-

As walk-in registration approaches, we ask you all to spread the word! We would like everyone to be online and fully registered before the 9th. This will help speed things up and kids can just come in to get weighed for football or speak to coaches for cheer.

Our goal this year is to have 2 teams at the JPW/PW football levels and intermediate/novice squads for cheer. We have already had many new players register and we say **WELCOME TO THE REDHAWKS!!**

You will start to get "Redhawks Dine Out" emails. This is a program where local restaurants will have you come in and a portion of the total bill goes back to the league. With everyone's busy schedules, it helps to have a place you know others are going so you can catch-up AND it helps the league. We are also in the planning stages of another Hoffman Redhawks night at the Slaughter football game. This was a great time last year and we will keep the tradition alive!!

We are looking for help coaching football and cheer. If you have any interest in helping, please let us know. There is so much help needed to get a team together!

Finally--We are truly honored at the success of our Little Scholars, but we also had several of the TOP scholars. These are selected by grades and community service. It was a proud moment for Hoffman to see our kids at every level achieve such an honor!

We look forward to seeing all of you **April 9th**.

GO REDHAWKS!!
